Another thank you from Cindy Hewlett,
It never ends! Your love continues to be so
“over the top”. Thank you for the beautiful
cards and gifts! WOW! I love each of you so
much! You will never know how much until
we all get to Heaven! All my love, Cindy.

Friends of Jack Castle

In lieu of flowers there will be a Mount Vernon Towers memorial fund. Contributions may be made by writing a check made out to Mount Vernon Towers with a note in the “For:” section reading “Jack Castle Memorial Fund” and turning it in at the front desk. Proceeds will be used to update the flag pole in the Courtyard. Jack’s condo overlooked the current flag pole and he constantly complained (in his usual dry way) that it has been leaning more and more over the years.

During World War II Jack served as a Combat Engineer in North Africa and finished his service in the Pacific theater. A memorial service is planned for Saturday, June 27th at ten a.m. at Roswell Presbyterian Church’s Historic Sanctuary. Jack referred to the Towers as “my last address”. He was a popular member of the Melodears as well as the first treasurer of the Couples Club.

Bye, Bye, Birdie at Roswell United Methodist Church
Performed by Acting Up Drama Ministry

Friday, August 7th 6:15 The Depot
\$25 is your reservation, sign up at Front Desk.

Set in 1958, this comedic Tony Award-winner includes musical theater hits such as We Love You Conrad and Put on a Happy Face. With an onstage cast of more than 40 and a live 20-piece orchestra, this show is not to be missed.

Bye Bye Birdie is a story of an Elvis Presley-type singer, Birdie Conrad, who is about to be inducted in the army. His agents, Albert Peterson and Rosie Alvarez, concoct one final national publicity stunt before Conrad's induction. Conrad will bid a typical teen-age girl goodbye with an all-American kiss on the Ed Sullivan show. Kim MacAfee from Sweet Apple, a small quiet Ohio town, wins the honor. All kinds of drama ensues as the town goes into a frenzy at Birdie's arrival and crazy family dynamics unfold.
