NOTES FROM CHRIS PETERSON

Renovation work:

The maintenance staff at Mount Vernon Towers has discontinued doing renovation work. What started out to be small projects that were done at or slightly above cost turned into large projects where many condominiums were being renovated at once. Our maintenance staff was finding it difficult to perform both their routine duties and complete their renovations. We definitely appreciate the value added to the entire community when our condos are nicely renovated. For that reason we will be recommending quality contractors to do renovation work for you with the understanding that you can use whomever you like as a contractor as long as he or she is licensed and the work is permitted if appropriate. Work orders and routine maintenance will still be performed by our maintenance staff. Just call the front desk and let the receptionist know if you have a maintenance need.

**DINERS NIGHT - THE CROSSING, HISTORIC NORCROSS ~ MONDAY, JULY 20th**  
4:00 The Depot

The Depot was constructed in July, 1909 and put the City of Norcross on the map. The trains being able to stop at this station could now drop off essential goods, mail, food and construction products, which increased the traffic to the area. The Depot was eventually donated to the city by Norfolk Southern in 1983 and was rezoned into a food and beverage establishment. ~SIGN UP AT FRONT DESK

*Bye Bye Birdie is a story of an Elvis Presley-type singer, Birdie Conrad, who is about to be inducted in the army. His agents, Albert Peterson and Rosie Alvarez, concoct one final national publicity stunt before Conrad's induction. Conrad will bid a typical teen-age girl goodbye with an all-American kiss on the Ed Sullivan show. Kim MacAfee from Sweet Apple, a small quiet Ohio town, wins the honor. All kinds of drama ensues as the town goes into a frenzy at Birdie's arrival and crazy family dynamics unfold.*
