

ADMINISTRATION CORNER

Happy Friday, everyone!

I hope everyone has had a great week!

Several residents have asked me about the cleanup condition in front of our property with the ongoing construction, so I wanted to give everyone a quick update. I have had several emails back and forth with both the City and the project manager regarding the cleanup, with my most recent email sent this week. I have asked that the utility companies and contractors do a better job of cleaning up the debris, tree stumps, trash and other items that have been left behind, while still understanding that some fencing, cones and equipment are necessary as the project continues. I have also pointed out that some of these areas are making it difficult for our landscaping team to properly maintain the front of the property. I will continue following up and pushing to get things cleaned up as much as possible while the construction is ongoing.

On a much more fun note, our Hoedown Dinner Party is next week, and we still have spots available! If you haven't signed up yet, be sure to call Susan and get your name on the list. It should be a great evening!

Also, just a reminder that Water Aerobics this Monday will be at 11:00 a.m. instead of 2:00 p.m. because we will be having our Trivia Competition at 2:00 p.m.

We currently have five teams signed up, and we are also putting together a team for individuals who would like to participate but do not have a full team of their own. We can definitely still take additional teams, as well as individuals who would like to join in, so please be sure to sign up on the Activities Wall so we can plan accordingly for tables and seating.

As I mentioned last week, we have also been tossing around some ideas for special dining events, including periodic Steak Nights with reservations, as well as bringing back some of the more elegant dining experiences on the Sun Porch. We are still working through the details on the Steak Nights, but I can tell you that in September we are planning a "Capital Grille Comes to the Sun Porch" evening.

This will include a full four-course filet mignon dinner with wine pairings, and we are looking forward to putting together a special evening on the Sun Porch. We will have additional information, including the date, menu, pricing and sign-up details, coming out soon.

ADMINISTRATION CORNER

We have a lot of fun things coming up, so be sure to keep an eye out.

I hope everyone has a wonderful and relaxing weekend, and as always, please feel free to reach out to me with any questions, concerns or suggestions.
