SERVICE EXPECTATIONS

We try our best to ensure that everyone dining with us has an enjoyable experience. To meet these goals, our processes must be followed.

- Residents will be expected to swipe their door cards or fobs when they arrive to dine. They will need to sign in their guests on the sign-in sheet.
- We do not reserve tables. Table seating is based on sequence and rotation of Servers.
- Food is made to order and will probably not be ready in 5 minutes.
- Your Server will take your drink order, soup or salad order, and then your entrée order.
- Those who join a table already in the process of ordering/being served will be waited on as soon as the Server has a moment. Understand that your order isn't likely to come out at the same time as the rest of those at your table.
- No food or leftovers are to be taken out on days when a buffet is served. That doesn't include phoned-in to-go orders.
- On non-buffet days you are welcome to bring your own carry-out containers. We do not provide take-out containers.

Modifications to many of our menu selections is limited. Ask your Server for details

Warning: Consumption of undercooked meat, poultry, eggs, or seafood may increase the risk of food-borne illnesses. Alert your Server if you have special dietary requirements.
