

# TOWERS TALK

## JANUARY 23 - JANUARY 30

### ADMINISTRATION CORNER

Happy Friday and National Pie Day, everyone.

If you are like me, you are more than ready for this storm system to move along. I hope those on my email list received

my message on Wednesday with the weather predictions and our processes. I did notice several bounced messages, which I resent yesterday. I also encourage anyone who has not signed up for the Band app, if you have a cell phone and can use the app, to please reach out and get signed up. It is the quickest and most reliable way for us to communicate.

As you know, the weather is now moving in slower than expected. It currently appears we can anticipate the storm from Saturday night through Monday, with Monday expected to be particularly cold.

Out of an abundance of caution, our outside vendors for Bible Study, Exercise classes, Happy Tails and Help Tech have **canceled** their classes for tomorrow, Saturday, January 24th, as well as the Christian Fellowship on Sunday, January 25th, due to the incoming weather conditions.

I have been asked why we are implementing arrangements and changing dining procedures before the storm is here.

Planning ahead is essential, and by nature, I am a planner. Given the logistics and dynamics of our community, I cannot wait until the storm arrives to initiate protocols, preparation is what allows us to operate safely and calmly.

The same process and plan remain in place. We will have staff stationed on site throughout the weekend to ensure the Front Desk and key building functions remain covered. That said, staffing will be limited, and during this time, maintenance and housekeeping services will be restricted to emergency work orders only.

The dining room will be closed for dine-in service and pick-up orders on Sunday and Monday. However, we will have a modified menu and will offer lunch and dinner delivery services on both Sunday and Monday. Please refer to this Tower Talk for the delivery menu and instructions on how to order.

I've also received questions about what happens if the power goes out. As I've mentioned before, we are on a priority list with Georgia Power. However, in any emergency or storm situation, restoration timing depends on the severity and conditions of the event. We will have limited

## ADMINISTRATION CORNER continued

power from a generator in both the Towers area (condo building) and the Service Center (office, dining, PCC, and support services).

In the event of a power outage, the generator will provide power to the following:

### **Towers Area:**

Emergency hallway lights and exit signs, elevators, water heaters, booster pump for supplying water to all floors, fire alarm system, emergency call cords in your condo, and all automatic doors.

### **Service Center Area:**

Emergency hallway lights and exit signs, elevators, cameras, gates, automatic doors, phone system, and the front desk area. It will also supply PCC with emergency hallway lights and exit signs, emergency call cords, and heat.

If you have a landline phone in your condo that is on the MVT phone system, you will still have phone service if the power goes out. If you use a different provider for your landline phone, service will be lost during a power outage.

I strongly encourage everyone to keep all medical equipment, phones, and personal tech devices fully charged at all times. If you believe you may need any supplies, medications, batteries, medical equipment, oxygen supplies, or groceries, please be sure to obtain them before tomorrow night. If you rely on refrigerated medications, medical devices, or mobility equipment, please take time now to ensure you are prepared.

If you have a flashlight, please place it in an easy-to-reach location and check the batteries now so it is ready if needed.

For safety purposes, please be especially mindful of fall risks during cold and wet conditions. Avoid unnecessary trips outside your condo during icy or freezing weather and use proper footwear if movement is necessary.

As always, if you have any questions or concerns, please reach out to me directly. I would much rather you contact me than rely on information that may not be accurate. I will be on-site, continuing to manage operations and communications, and please know that everyone's safety and well-being remain my top priority.

Together, we will get through this storm, no matter how small or large it may be.

Warm regards,

**Rita Malone**  
**Executive Director**

**HAPPY BIRTHDAY**

Sending a birthday shoutout to the fabulous  
JAMES CORBITT in A107 and the wonderful  
SUE WISLAR in B815,  
both celebrating on 1/29!

## HIGH RISE LIVING SERIES

The next High Rise Living Series  
will be February 9 at 1:30 PM  
in the Sun Porch with  
Emory – Heart Health/Circulation

## LIVE MUSIC

Thursday, January 29  
3:30 PM

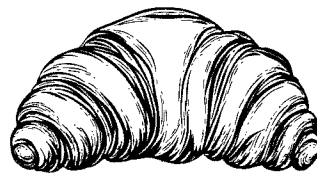

**Rhythm & Rouge**  
Sun Porch

## BOOK CLUB

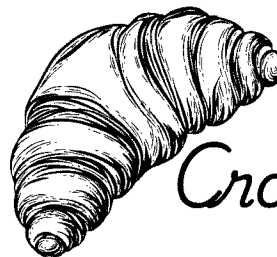

This Tender Land by William Kent Kruger  
Sunday, January 25 at  
4 PM in Hammond Hall  
All are welcome.

### A Little Joy in the Everyday

Life in our community is made special by the little moments that bring us together—morning coffee chats, friendly hallway hellos, and laughter echoing from activities. Whether it's a spirited game of bingo, a favorite song during our live music shows, or simply taking in the beauty all around, these everyday joys remind us how meaningful connection can be.
