

# TOWERS TALK

## JANUARY 30 - FEBRUARY 6

### ADMINISTRATION CORNER

Happy Friday, everyone!

I hope you all managed to stay warm and safe during last week's cold, icy weather. I want to give a heartfelt shout-out to my dedicated staff who stayed

over with me to ensure everyone was taken care of during that challenging time. Their commitment and teamwork are truly appreciated!

A big thank you also goes out to our amazing volunteers who helped deliver meals during our four meal periods. Together, we successfully delivered about 507 meals, which is a fantastic effort! Additionally, thank you to our outside owners with condos for sale or lease for being willing to lend us their spaces for overnight accommodations. That support made a big difference.

As many of you may have heard, the weather forecast for Metro Atlanta has shifted from a watch to a warning. We are in the pink zone, which means we could see 2 to 4 inches of snow this weekend. With that being said, we are back to the same plan as last weekend. Please check the Tower today for our winter weather menu and the instructions for the weekend.

One additional note: due to last week's weather, our food truck delivery schedule is still catching up. As a result, some deliveries and menu items may be a bit out of sync for a short period of time as we work to get everything back on schedule. Thank you for your patience and flexibility.

A few quick reminders as we prepare:

- The Front Desk will remain staffed, but staffing across departments will be limited. Maintenance and housekeeping will be restricted to emergency work orders only.
- Please avoid going outside during snow/ice conditions. If you must go out, exercise caution, wear appropriate footwear, and take extra precautions. I worry when I see residents out walking in these conditions.

Now, I'd like to clarify how our resident dinners work, which take place once a month. The Front Desk, Activities, and Dining Room staff do not manage this program. Board sponsor Nancy Rogers heads up the initiative, and Anne Duncan oversees the volunteer efforts. Their leadership ensures everything runs smoothly. The Newcomers Dinner is held the third Wednesday of every month through October.

## ADMINISTRATION CORNER continued

The signup sheet is on the Activities wall and is taken down the Monday before so the Dining Room has time for advance notice. If you have any questions, please see Nancy Rogers.

Lastly, we are back to trying to round up the grocery carts again. Please return them to the basement cart area when you are finished. We need them available for everyone, especially residents who rely on them to safely transport groceries. The carts do not belong in individual condos.

As always, thank you for your understanding and cooperation as we work to keep everyone safe. Please plan accordingly for the weather and take extra precautions.

I am here if you need me.

Warm regards,

Rita Malone  
Executive Director
